As-Salaam Alaikum

My Dear Believers, Followers and Friends of the Nation of Islam:

We thank Allah Who Came in the Person of Master Fard Muhammad, our Saviour, the Great Mahdi for Permitting us once again to meet and celebrate His Birth and His Great Work of Redemption as taught and demonstrated to us by His Messenger-Messiah, the Exalted Christ, the Honorable Elijah Muhammad.

We are meeting once again at one of the most troubled times in the history of America and the Nation of Islam. Our subject is titled, "What Does Allah the Great Mahdi and the Great Messiah Have to Say About the War in the Middle East?"

The destruction of the planet and its people is continuing to expand. The war in the Middle East is a sign of what will be soon happening in America and the Western Hemisphere. The enemy does not want the success of the Nation of Islam or our people.

In 1985, I was given by the Honorable Elijah Muhammad on the Wheel words the depth of which would take me nearly forty years to understand.

The term of my work is coming to an end and whenever a term ends there is always an examination, a trial, or a test. The Honorable Elijah Muhammad told us that the test would be three years, hard years and one year will be harder than the other two and then the test will be over.

Will we pass the test? The test will separate us from one another based on faith, sacrifice and **the will of us to establish our faith by means of sacrifice.**

In closing, the Honorable Elijah Muhammad said, "I cannot promise you that you will not get a hickey; I cannot promise you that some of you will not go to prison; I cannot promise that some of you will not lose your lives. **But what I can promise you is Victory and the establishment of our Faith.**"

Hold fast to your faith and hold tightly to the plow of Islam as taught by the Honorable Elijah Muhammad. And remember these words, "We are fighting for Islam, and we will surely Win with our Saviour Allah, the Universal King. We are united with our Nation and called by His Name so let us Rise Ye Muslims and Fight for Your Own!"

May Allah's Peace, Blessings and Protection be with us as we close this chapter of our struggle and open a new chapter which begins with our being in what is called the **"HEREAFTER."**

As-Salaam Alaikum

Your Brother and Servant

Louis Farrakhan
